## Helicopter North Coast Tour & Wine Tasting

Discover this extraordinary experience combining a helicopter tour with a wine tasting adventure, showcasing the stunning beauty of Mallorca's landscape and its rich wine culture.

The journey begins in Palma, where guests board a helicopter to embark on a scenic flight over some of Mallorca's most breathtaking locations. The helicopter tour includes captivating aerial views of Sa Dragonera, an uninhabited island renowned for its rugged coastline and natural beauty. Guests will be mesmerized by the dramatic cliffs and crystal-clear waters surrounding this enchanting destination.

Continuing the aerial exploration, the helicopter flies over Sa Foradada, a stunning cliff formation that offers panoramic views of the Mediterranean Sea. This iconic landmark is a photographer's dream, providing unparalleled views of Mallorca's dramatic coastline and azure waters.

Next, the helicopter journey takes guests to Port de Sóller, a picturesque coastal town nestled between the mountains and the sea. Here, guests can admire the charming harbor and colorful architecture from above, soaking in the idyllic atmosphere of this quaint Mediterranean town.

After the exhilarating helicopter ride, the experience transitions to a wine tasting at Bodegas Castell Miquel, a prestigious winery located in the scenic Tramuntana Mountains. Surrounded by rolling vineyards and olive groves, the winery offers a serene setting for guests to indulge in a selection of exquisite wines crafted from locally grown grapes. Visitors can savor the unique flavors and aromas of Mallorcan wines while learning about the winemaking process from knowledgeable staff.

Following the wine tasting experience, guests are treated to a leisurely return flight to Son Bonet Airport, where the journey concludes after three hours of unforgettable exploration in the air and on the ground. Descript ensures that guests depart with cherished memories of Mallorca's beauty and the delights of its world class wine culture.
